

FINE FEASTS MENU

Seasonality drives our menu design, with this in mind we have written our menus in such a way that certain elements of our dishes can be changed to suit the season and the availability of produce for the date of your event.

We can advise and work with you to create a bespoke dish, if necessary, tweaking and fine tuning your choices to ensure you receive the best produce that nature has to offer and helping to create a truly memorable dining experience.

For larger events, see our Evening Buffet options.

At CGC we understand the importance of being able to cater for those with special dietary requirements, alongside the vegetarian dishes on our main menu we also have a vast collection of recipes that are available upon request.

All of our vegetarian dishes can be amended to cater for vegans.

Whilst some of our dishes are already gluten or lactose free, we can also create bespoke dishes to cater for these or any other special dietary requirements.

WE LOOK FORWARD TO HEARING FROM YOU
